Executive Director's Message

The DUSC 2018/2019 Annual Report is a testament to the fulfillment of the club's vision and mission. DUSC programs educated, trained and inspired youth soccer players across all ages and abilities and from all corners of New York City. The 2018/2019 DUSC Parent surveys revealed higher levels of satisfaction and confidence in the club than previous years and, thanks to you, our Fundraising efforts set new highs and we were able to remove financial barriers to our programs and provide soccer for all.

The real trophies we strive for daily are myriad: they range from the smile on your child's face after a game, the satisfaction of seeing kids experience the joy of competition while learning to both win and lose with grace, the magic of teammates becoming childhood friends, the delight to wake up and look forward to sharing the day together.

These are all trophies—gifts we wouldn't have if you didn't sacrifice your time and freedom to make them happen. We are tremendously appreciative that you trust DUSC to partner with you in the development of your child's youth soccer experience on and off the field. It is a privilege and responsibility we dedicate our time and effort to every day.

While we pay tribute to 2018/19 in this annual report, we also invite you to envision the future and explore opportunities to engage with us to help create innovative solutions to support DUSC's families. As you read this in May 2020, our world has changed dramatically. Change is the one constant in our daily life.

I've made hundreds of decisions over the past few weeks. We have redesigned and implemented new programming every day.

Every one of those decisions and innovations has been influenced by my conviction that DUSC will unwaveringly continue to serve our community. The unifying, healing power of the beautiful game in NYC makes it different from any other sport. We have an obligation to do more than survive. We have an obligation to rise above this challenge and lift the spirits of our community - players, parents, supporters, coaches and staff.

DUSC will remain steadfast in the pursuit of our vision and we will continue to fulfill our mission...with the addition of five simple words: ' No Matter What The Circumstances '

As we navigate these murky waters you can expect we will stay connected and provide continued support, assurance and perhaps most important, focus on the redeeming aspect of this crisis. When we are allowed to re-emerge into a changed world, the desire, enthusiasm and need for safe, healthy environments to play soccer will be renewed. With you, our most ardent supporters alongside us, DUSC will lead the way in creating this landscape for our community and all of NYC.

With the ongoing support of our donors, partners, Board and volunteers, DUSC is ready for the challenges and achievements ahead in 2020 and beyond.

– Kevin McCarthy, Executive Director

Our Mission is to educate, train and inspire youth soccer players of all ages and abilities in a positive, respectful, supportive environment. To foster a community that reflects the diversity of New York City in which children can develop a lifelong love for the beautiful game and realize their full potential as both players and people.

Our Vision

Provide a world-class youth soccer *educational experience* on and off the field to players staff and parents.

In state of the art *facilities* on the field: outdoor and indoor and in classrooms that also serve as a community meeting place.

All while being *funded sufficiently* so to be accessible and affordable to all.

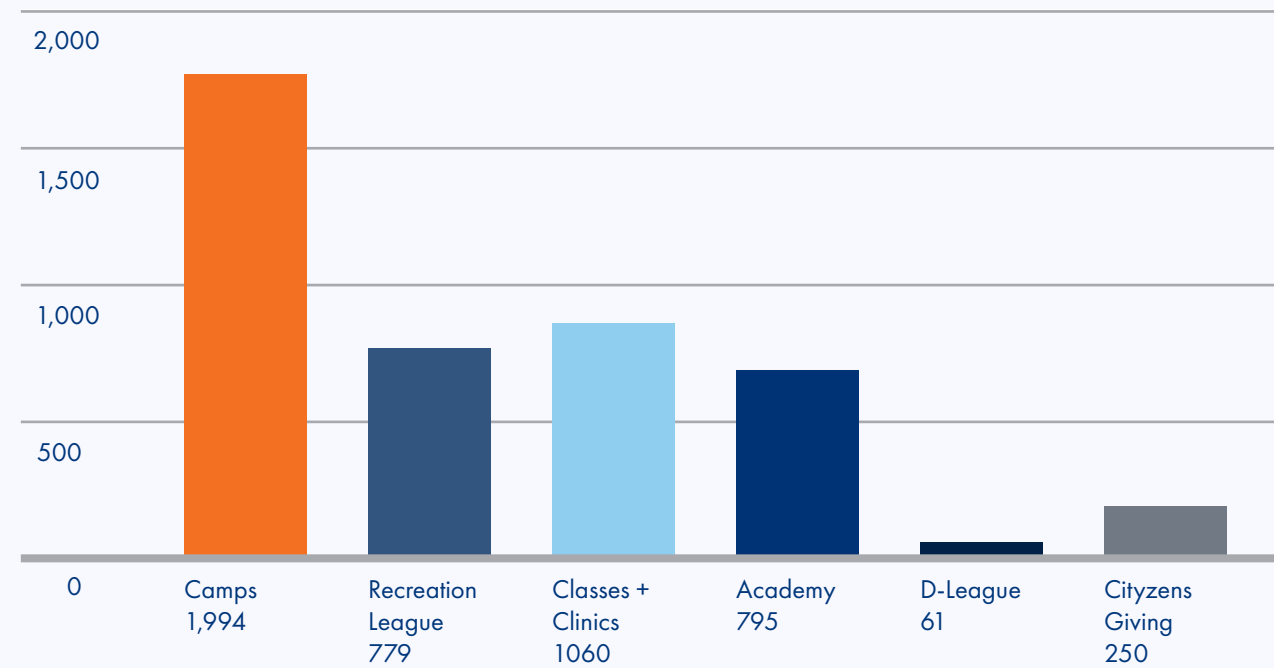

Our Core Principles

1. Put the best interest of players first by emphasizing individual long-term development.
2. Provide the proper environment to learn important life skills through the sport of soccer.
3. Include all members of our community.

Classes Testimonial

I have nothing but good things to say about Nick. He has been great meeting my son where he is...he's a bit shy and was overwhelmed the first few classes. Nick was great about encouraging Resh to play, providing positive reinforcement to build his confidence, and understanding that some games (tag, at least being the one chased) made Resh feel uncomfortable.

Do you think the head coach is using developmentally appropriate techniques?

Definitely, my son is a beginner so its all new to him but he's been able to pick it up. Nick has been great about breaking things down so that Resh can understand

Do you think the curriculum places an emphasis on character development?

Somewhat, the focus definitely is not on winning, its about participating, having fun, and good sportsmanship (and of course learning!)

Community.

Community Partners

Cris Velasco, DUSC Public School Program Coach and Equipment Coordinator

“DUSC has been an essential part of our after-school program for several years now. It is safe to say that DUSC hasn’t only offered a healthier lifestyle through the sport of soccer itself, but also through the valuable nutritional instruction provided to the students prior to playing.”

– Tiffany A. Rodriguez, After-school Program Coordinator/ Camp Henry Director at P.S.20

Our Community constantly inspires us to do more. We understand that soccer functions as a vital piece of a child’s development as a person. Physical exercise is an essential aspect of a healthy lifestyle.

For these reasons we continue to search for opportunities to engage with the Greater NYC Community. As a continuation of what was previously called City in the Community, Downtown United Soccer Club works with the NYC Department of Education to deliver zero cost after school soccer programming to Downtown Manhattan Public Schools.

Our Coaches not only share the joy of soccer with new players to the game, but also the power of mindfulness towards a healthy lifestyle. The program stands as a wonderful reminder to keep active and practice healthy habits. Cris Velasco, pictured left, is one of the DUSC Coaches working with the NYC DOE program. In 2018/19, Cris ran programming at P.S. 20 and P.S. 134 serving over 260 kids in total.

For the 2018/19 academic year, Downtown United Soccer Club, the U.S. Soccer Foundation, and the New York City Department of Education announced a partnership to expand Soccer for Success through the city’s CHAMPS before and afterschool program. Soccer for Success is the Foundation’s afterschool program offered free to participants and proven to establish healthy habits and deliver positive health and youth development outcomes. This relationship is separate from the above mentioned Public School Program operated by DUSC. Through the partnership between DUSC, the Foundation, and NYC DOE, approximately 2,000 students were engaged in Soccer for Success.

The collaboration also supports the US Soccer Foundation’s It’s Everyone’s Game campaign to ensure children in underserved neighborhoods can benefit from all that the game of soccer has to offer. This program year, the Foundation is on track to engage 100,000 children nationwide in Soccer for Success.

Soccer Recycle

Mission Statement

Soccer Recycle collects new and gently used soccer uniforms and redistributes them to needy programs around the world. We engage youth volunteers to promote social responsibility and foster a lifetime commitment to public service.

Origin

The DUSC Soccer Recycle Project was initiated by DUSC ‘99 player Eyob Ford. The first delivery was to an orphanage in his native Ethiopia in 2010. In the years that followed, Eyob scrimmaged with local youth and delivered uniforms to programs around the world including Kick-4-Life in Lesotho, BREDs in Jamaica, several programs in Guatemala, and Worldwide Orphans in Ethiopia.

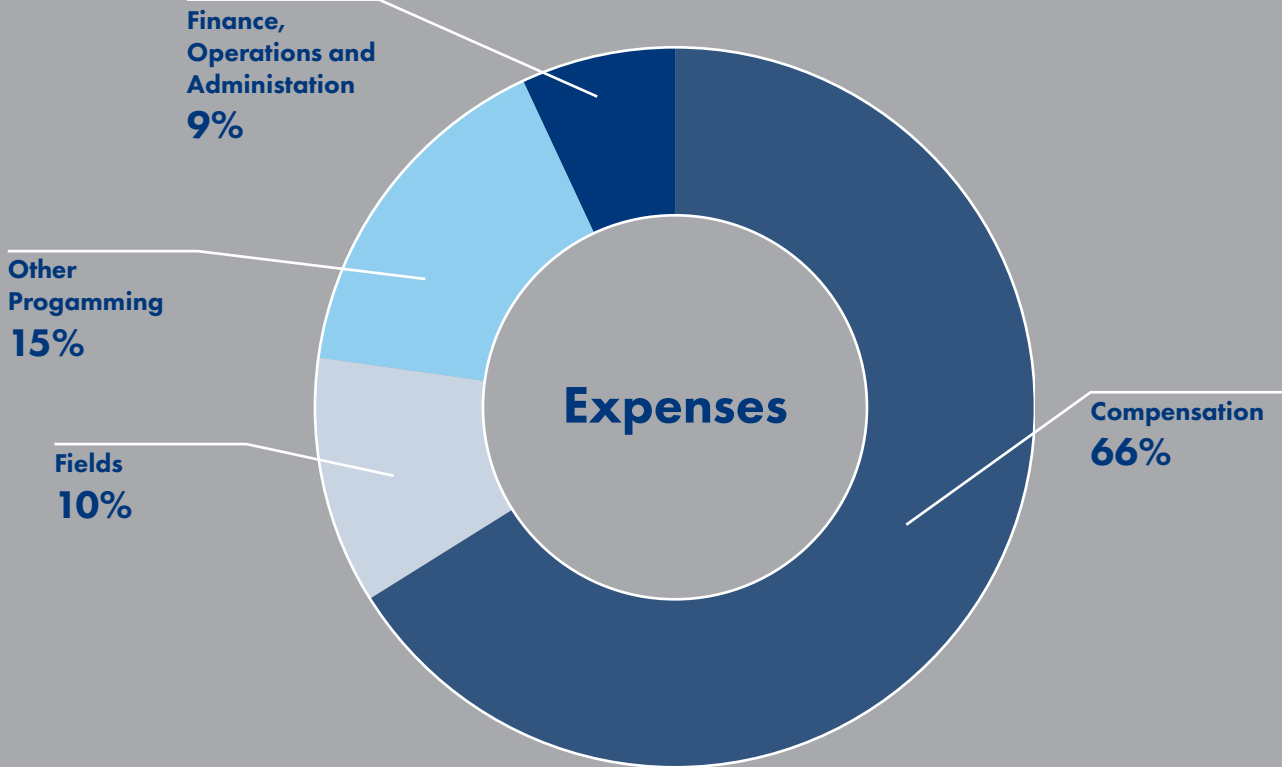

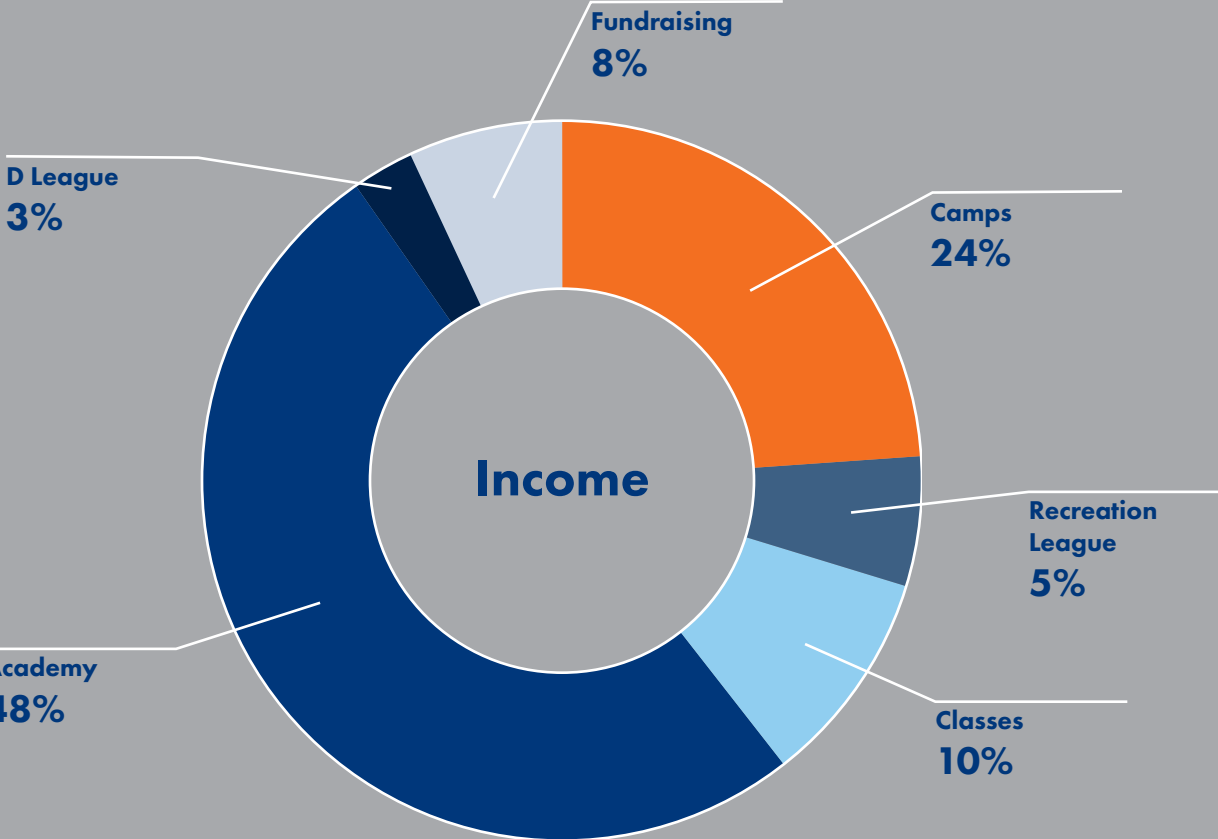

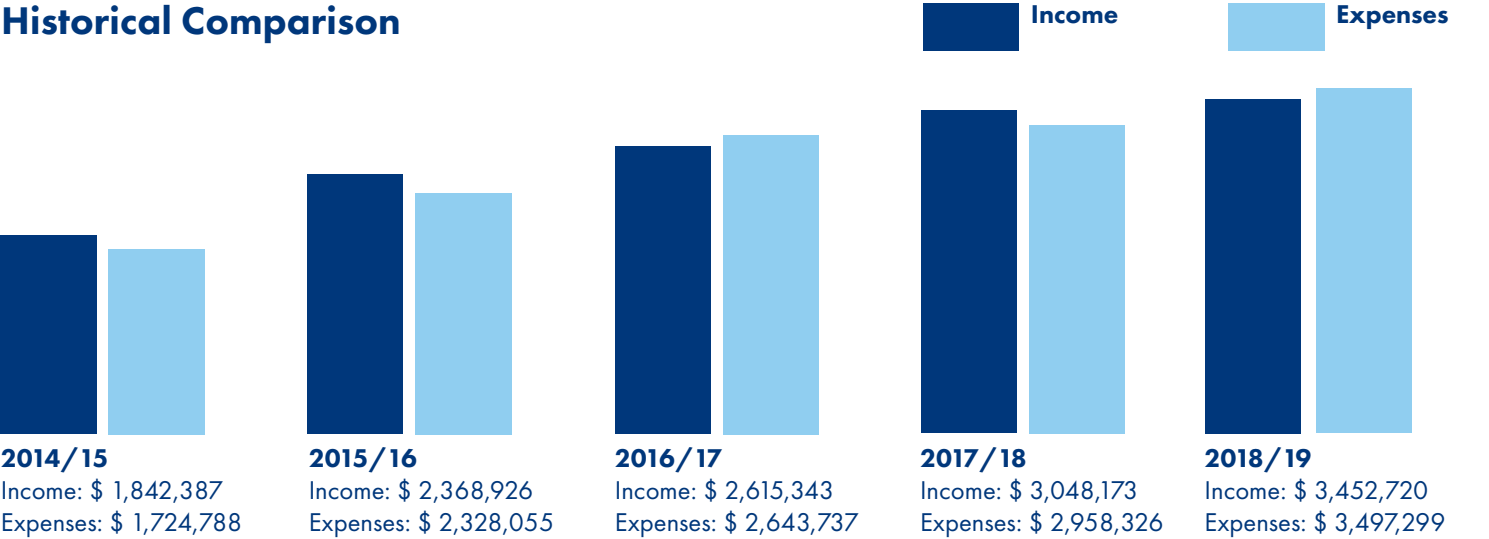

2018/19 Donation

On March 9th & 10th, DUSC hosted a Soccer Recycle drive in an effort to gather lightly used jerseys and other miscellaneous soccer items. The collected items were donated to Haiti through club friend, Jean Laguerre. The donation was over 200lbs of lightly used items.
