Executive Director's Message

Dear DUSC Families, Friends and Supporters,

Creating this year's annual report has once again been an insightful journey of reflection and progress. It is fitting that I acknowledge the driving force behind our accomplishments: YOU, the thriving community that epitomizes the core of DUSC.

First off, I am honored to extend my appreciation for the continued dedication demonstrated by our extraordinary team of coaches and staff. Their deep commitment to cultivating the growth of our players stands as the developmental pillar of TheDUSCWay and is foundational in instilling the playing philosophy that resonates throughout the club. They are the real MVPs, bringing passion to the playing fields, no matter the conditions and challenges unique to coaching in NYC.

Furthermore, the steadfast support from our devoted volunteers, the DUSC Board, committee members, and Team Parents is nothing short of invaluable. Your time, resources, and expertise in all things NYC help us build an environment of excellence for your children, strengthen our core values, and shape the identity of our club. Whether it be in a committee meeting or when I informally meet parents on the sidelines of Pier 40, I am heartened by your enthusiasm, desire, and insightful support to help the club.

As we reflect on the 2022/2023 DUSC campaign, it becomes clear once again that the essence of our mission lies in the purpose and values that guide us daily. DUSC is a thriving club, constantly growing and evolving toward a future defined by inclusivity, community engagement, joy, and fulfillment through soccer. We are privileged to be part of a soccer collective that seeks to make a positive impact on the neighborhoods we call home. This leads me to our donors, whose trust enables us to find safe local spaces to play, highlights the pivotal role you play in fostering accessibility for all and is essential in supporting our inclusive values.

DUSC mirrors the pride and diversity reflected by our players, coaches, families, and the people that comprise NYC. In this, we find strength, vibrancy, and a shared spirit that resonates with the very essence of the club and city we proudly call home. Together, we look ahead inspired by the richness of our shared experiences on and off the field, propelled by the unwavering community support that has defined the unique identity of DUSC.

Mission & Vision

Our Mission

Downtown United Soccer Club, Inc. is organized as a 501c(3) not for profit entity to educate, train and inspire youth soccer players of all ages and abilities in a positive, respectful, supportive environment. To foster a community that reflects the diversity of New York City in which children can develop a lifelong love for the beautiful game and realize their full potential as both players and people.

Our Vision

Provide a world-class youth soccer educational experience on and off the field to players staff and parents. In state of the art facilities on the field: outdoor and indoor and in classrooms that also serve as a community meeting place. All while being funded sufficiently so to be accessible and affordable to all.

Our Core Principles

1. Put the best interest of players first by emphasizing individual long-term development.
2. Provide the proper environment to learn important life skills through the sport of soccer.
3. Include all members of our community.

The DUSC Way

Our Player Development Philosophy

DUSC is committed to providing pathways in soccer that maximize the long-term individual **Development** of our players. With programs that are available **Universally** to players of all ages, abilities and speeds of development, that are designed to create **Successful** players on and off the field. By focusing on key **Character** strengths such as integrity, positive attitude, teamwork, and determination. Creating a **Winning** mindset — over the long term and not focused on individual games — while retaining the joy, excitement and happiness that comes from simply playing the game. With an emphasis on an **Attacking**, possession-oriented style of play that is positive and progressive. DUSC seeks to empower the diverse **Youth** soccer players of NYC to continue to develop as self-driven, imaginative and intelligent players and people long after their time at DUSC.

Soccer for All

A Community Commitment

One of DUSC's core principles, shared by our players, volunteers, coaching staff, Administration and Board is "Soccer for All" - for all members of our community, regardless of socio-economic status or ability, DUSC stands for diversity and inclusion.

DUSC fosters a community that reflects the diversity of New York City in which children can develop a lifelong love for the beautiful game and realize their full potential as both players and people as seen in the following:

- Over \$500k in financial assistance
- Partnership with NYC Department of Education & U.S. Soccer Foundation
- Recruiting a diverse coaching staff from over 12 different nations
- Having the highest percentage of female coaches of any club in the region
- Partnership with Top Soccer

Classes

DUSC Classes are designed to introduce the game in a fun, non-competitive way to our players while ensuring a safe environment to build fundamental soccer skills and a deep appreciation for the sport. Led by our professional coaches, classes are fun and simple, yet engaging and challenging enough where our players learn soccer skills at their own pace. The program's small instructor-to-player ratio helps maximize individual development and leads to consistent improvement for our players and their technical skills after every season.

Camps

Summer Camps focus on creating a joyful and developmental soccer experience. At our Pier 40 camp, our professional coaches strive to maintain a positive environment where fun and improvement go hand in hand. We also offer Advanced camps and Residential camps for Academy level players where there is a greater emphasis on individual player technical and tactical growth. Highlights from advanced camps included players once again attending our Residential camp at Golden Goal and Gotham FC players making guest appearances at our Girl's advanced camps.

Recreation League

The DUSC Recreation League is a foundational pathway towards fun competition in a team or group setting; it is a great place for families to start before investing resources into higher levels of competitive soccer. Many DUSC Academy players start their soccer journeys in the Recreation League and continue to come back for additional playing opportunities throughout their DUSC experience.

A special component of the Recreation League is the aspect of the Volunteer Parent Coach. DUSC supervises every Recreation League session, however, Parent Volunteers provide the instrumental community spirit and innate interest for the game that brings our league to life. In addition, our volunteer community members, along with DUSC on-site staff, act as role models for their teams.
